DIVE IN AND SUPPORT YOUNG SWIMMERS!

The Wheat Ridge Piranhas Swim Team is a summer swim club based at Anderson Pool in Wheat Ridge. For about six weeks each summer, more than 100 kids, ages 6 to 18, are in the pool every weekday morning. On weekends, they compete in Foothills Swim Association meets. They learn new skills, see personal growth and help shape a warm and welcoming community of kids, coaches and parents.

Our team is especially grateful to live in a neighborhood with community-minded businesses that pull together in support of our local schools, non-profits, and sports teams. Thanks to the contributions of local businesses and child-led fundraising efforts such as our annual swim-a-thon, the Wheat Ridge Piranhas Swim Team has been able to maintain its low cost to make the team accessible to all. This summer, however, funds are needed more than ever to offset increasing costs and provide scholarships. Your financial support will help us achieve the Summer 2018 fundraising goal of \$10,000.

We are pleased to announce the Piranhas' Summer Sponsorship Program. This new program provides businesses the opportunity for sponsorship with three levels of giving – Gold, Blue, and White. This is a great opportunity to make a contribution that really pays off for our kids & our community.

Your company name and logo will be represented (size of logo will be determined by level of sponsorship):

- On our 2018 team banner at our summer meets in the Foothills Swimming Association (FSA), including at our league and state championship meets
- In front of approximately 5000 potential customers along the front range
- On the Wheat Ridge Piranhas website (www.wheatridgepiranhas.org)
- In Piranhas social media like our Facebook page, Instagram and Twitter

We are a 501(c)(3) non-profit organization comprised of parent volunteers who are dedicated to giving children in our community a healthy start through swimming. We hope you will be able to join us in supporting our team! Please let us know by May 24 if you are able sponsor us in 2018 so we can include your logo in our promotional materials.

See you at the pool,

Jennifer Gentry
